**BUILDING TO SERVE:  
CONTINUING THE VISION**

*For the past fourteen years, Mt. Olivet has hosted an annual golfing event that serves a twofold purpose. First, this event brings people together for fun and fellowship. It helps to build relationships and renew acquaintances. This event helps to continue the work of developing programs for the youth of our church and community. There can be no greater purpose than to help those who will be coming behind us. Mt. Olivet helps to develop youth in many ways some of them include: tutorial programs, summer activities, scouting programs, and scholarship programs just to name a few. As you participate in this 15th Annual Golf Tournament, you are contributing to a healthier community and continuing the vision of making things better for the next generation. So enjoy the golfing and let's continue the work of helping our youth*
